

We The People call FRAUD

on the Executive Branch and all complicit federal, state and local authorities re. COVID-19

*Fraud always unwinds judgments and resulting actions as
the fruit of a poisoned tree*

(Sep. 14, 2021)—On Sep. 09, 2021, Pretender Biden and the illegitimate U.S. Administration issued an “Executive Order on Requiring Coronavirus Disease 2019 Vaccination for Federal Employees.”.

In Section 1, Biden cited his authority as the “nationwide public health emergency, first declared by the Secretary of Health and Human Services on January 31, 2020.” Fig. 1.

Firstly, given that Biden’s pretender “presidency” was fraudulently obtained, his election fraud negates this action. See evidence of this fraud in various election fraud legal actions in Arizona, Pennsylvania, Wisconsin, Michigan, New York, Georgia, among other states.

Secondly, Secretary of Health and Human Services (HHS) Alex M. Azar II executed the underlying emergency on Jan. 31, 2020 when there were only five (5) COVID-19 deaths in the United States, according to the Center for Disease Control (CDC). Fig. 4.

Note that the World Health Organization of the British Pilgrims Society-controlled United Nations did not declare COVID-19 to be a pandemic until Mar. 11, 2020. Fig. 3.

Abstract

The World Health Organization (WHO) on March 11, 2020, has declared the novel coronavirus (COVID-19) outbreak a global pandemic (1). At a news briefing, WHO Director-General, Dr. Tedros Adhanom Ghebreyesus, noted that over the past 2 weeks, the number of cases outside China increased 13-fold and the number of countries with cases increased threefold. Further increases are expected. He said that the WHO is "deeply concerned both by the alarming levels of spread and severity and by the alarming levels of inaction," and he called on countries to take action now to contain the virus. "We should double down," he said. "We should be more aggressive." [...].

Therefore, HHS Secretary Alex M. Azar II, had no healthcare-related basis for declaring a national health emergency.

In addition, Azar *backdated* his emergency declaration to Jan. 27, 2020— five (5) days earlier. Fig. 4.

Backdating a legal document is normally fraudulent on its face. The exceptions to backdating don't apply here since this decision was so grave, affecting every man, woman and child in America. Proper diligence was swept under the carpet in his rush to execute.

This action begs the question as to why those five days were so critical.

On Jan. 28, 2020, the federal government indicted Harvard/Chinese nano-biowarfare researcher Dr. Charles M. Lieber in Boston. [Lieber holds 66 U.S. patents](#) in nanotechnology, much of it funded by Dr. Anthony S. Fauci and the National Institute of Health (NIH) as well as Harvard, DARPA, MITRE Corporation, Air Force Office of Scientific Research and the Office of Naval Research (each patent delineates the federal agencies that funded Lieber in the "Government Interests" section).

Researchers are now discovering Lieber's nanoparticles in the COVID-19 vials.

By indicting Lieber, the Justice Department effectively shielded him from public scrutiny and questioning about his biowarfare activities in China just prior to the alleged Wuhan outbreak, which was likely biomedical propaganda used as a "false flag" scare tactic.

Lieber's father, [Robert I. Lieber](#), was a senior satellite engineer for Radio Corporation of America (RCA). He even received the David Sarnoff Outstanding Achievement Award in Engineering in 1962. His work on the Aegis satellite system for the U.S. Navy is integral to the deployment of 5G today. Sarnoff was a leading member of the British Pilgrims Society, as highlighted in Congress in 1940 by [Rep. Dr. Jacob Thorkelson \(Montana 1st\)](#).

Harvard University Professor and Two Chinese Nationals Charged in Three Separate China Related Cases

The Department of Justice announced today that the Chair of Harvard University's Chemistry and Chemical Biology Department and two Chinese nationals have been charged in connection with aiding the People's Republic of China.

Dr. Charles Lieber, 60, Chair of the Department of Chemistry and Chemical Biology at Harvard University, was arrested this morning and charged by criminal complaint with one count of making a materially false, fictitious and fraudulent statement. Lieber will appear this afternoon before Magistrate Judge Marianne B. Bowler in federal court in Boston, Massachusetts.

Yanqing Ye, 29, a Chinese national, was charged in an indictment today with one count each of visa fraud, making false statements, acting as an agent of a foreign government and conspiracy. Ye is currently in China.

Zaosong Zheng, 30, a Chinese national, was arrested on Dec. 10, 2019, at Boston's Logan International Airport and charged by criminal complaint with attempting to smuggle 21 vials of biological research to China. On Jan. 21, 2020, Zheng was indicted on one count of smuggling goods from the United States and one count of making false, fictitious or fraudulent

By backdating his national emergency to Jan. 27, based on only five (5) COVID-19 deaths—one day before Lieber was indicted, Secretary Azar protected his British Pilgrims Society’s super-agent, Dr. Charles M. Lieber, under the cover of a pandemic that he evidently knew was planned (another fraud), but for which Azar obviously jumped the gun, for some reason. He was 11 days ahead of his British U.N. WHO handlers.

Backdating federal judgments is fraudulent and unwinds ALL subsequent actions, including the fraudulent Pretender Biden’s latest Executive Order

This backdating, and its interlocked frauds, completely unwinds to COVID-19 nightmare that the British Pilgrims Society, and its sycophants in the American government, have put America and the world through since late January of 2020. Their agenda to implement medical genocide and their “new world order” tyranny, also known as “The Great Reset,” has become patently obvious to any reasonable person.

These criminals must be brought to justice by *We the People* in the United States and the Citizens of the World.

Lord Have Mercy and Godspeed to all who love liberty.
